Department of Computer Science and Engineering and Department of Computer Science and Engineering (AI&ML)

National Level Technical Event JIJNASA 2024

29 February 2024

Event Name: “PuzzloX”

Event Description: It refers to the practice of writing and implementing code to solve specific problems or challenges in the context of computer programming.

Event Time: 13:45-14:45

Event Venue: Lab-1 SB 111, Lab-II SB 114, Lab-III SB 115

Event Date: 01 April 2024

Programming languages: C, C++, Java, and Python.

Eligibility

- This opportunity is open to undergraduates only.
- Cross-college teams are allowed.
- Teams of up to two will be allowed to compete.

General Guidelines for PuzzloX :

1. ID card is mandatory.
2. No external electronic data may be accessed at any time. This includes phones, USB drives, the internet, etc.
3. Contestants will be given one problem to solve in a duration of 60 Minutes.
4. Statements of a problem become available to read at the moment the round starts.
5. Output will only be accepted if it is formatted exactly as specified in the problem statement (No preceding or trailing spaces, extra characters, typos, etc.)
6. Any act against spirit of the event is strictly disqualified without any reason.
7. No participant can be a part of more than one team.
8. There are no restrictions on the number of teams from same college.

Note:

Solution accepted if confirmed to be Correct by Judges. They can take part in the HackQuest, which is the Next Level.
