The Innovation Incubation and Entrepreneurship (IIE) Cell serves as a center for creativity, innovation, and entrepreneurship. The IIE Cell was established with the intention of nurturing and assisting the upcoming generation of innovators and entrepreneurs by providing them access to the resources, guidance, and encouragement they require to transform their concepts into profitable ventures.

Functions of the Committee:

- To encourage the student innovators and support them for start-ups.
- To showcase innovative projects accomplished by lecturers and students.
- To carry out a range of innovation and entrepreneurship-related activities within the institute with the aim of developing entrepreneurial skills.
- Combining engineering and management curriculum to develop innovative entrepreneurship-related programs.
- To provide guidance for start-ups during the gestation period
- Organization periodic workshops/ seminars/ interactions in collaboration with established entrepreneurs and professionals.
- The establishment of a network among local inventors and entrepreneurs.
- Setting up of industry-academia interactions to encourage entrepreneurship and innovations.

Schedule to meet: **Third Saturday** of every month at 12:45 hrs onwards, Principal's Office.

- 1) Agenda is to be prepared ahead of the meeting and sent to Principal and all members
