The Innovation Incubation and Entrepreneurship (IIE) Cell serves as a centre for creativity, innovation and entrepreneurship. It is envisioned to provide a unique platform for the graduating engineers, faculty, research scholars and alumni to pursue innovation, applied research and tech-entrepreneurship. The initiative will impact the quality, confidence and competitiveness of the students and prepare them for 21st century Knowledge Economy.

The IIE Cell was established with the intention of nurturing and assisting the upcoming generation of innovators and entrepreneurs by providing them access to the resources, guidance and encouragement they require to transform their concepts into profitable ventures like startups. Assist in preparing for the real-world challenges in workplace and arrange interaction with entrepreneurs and create a mentorship scheme for student entrepreneurs.

IIEC needs to work towards achieving the following objectives:

- **Innovation** in project and product development.
- **Incubation and business development** in engineering and its applications.
- **Techno-entrepreneurial activities** in various branches of engineering.
- **Skill development** in selected stakeholders related to engineering and technological application sector.

Functions of the Committee:

To coordinate the cell members to organize the orientation program on innovation, incubation and entrepreneurship.

- To encourage the student innovators and support them for start-ups.
- The establishment of a network among local inventors and entrepreneurs.
- To organize a range of innovation and entrepreneurship-related activities within the institute with the aim of developing entrepreneurial skills.
- To organize the seminar on emerging challenges and opportunities in small, medium scale and micro industry.
- Facilitate students to visit various ongoing projects in industries, make them familiar with the current situation and scenario in the industry through the training by industrial person.

Schedule to meet: **Third Saturday** of every month at 12:45 hrs onwards, Principal's Office.

- 1) Agenda is to be prepared ahead of the meeting and sent to Principal and all members
- 2) Attendance to be obtained in the Committee Register.
- 3) Minutes of the Meeting to be noted and circulated to all members, HODs, HOFs and Principal.
- 4) Filing: Minutes copy to be pasted/filed in the committee register.
