The students counselling committee attempts to address the day-to-day issues of concern relating to academics and routine activities.

Counselling is a process that aims to facilitate the personal well-being of the students through support and guidance for a healthy mind and body.

The Counselling Committee encourages the students to understand themselves and the issues that trouble them and guides them to resolve their problems. These problems can be personal, emotional, social, family, peer, academic, sexual, etc. This is done through individual or group counselling to help them with academic goals, social and personality development, career goals, enhancing listening skills, empathy and interpersonal skills to have healthy relationships and a healthy lifestyle.

Objectives of the Committee:

- To help the students in solving their personal, educational, social as well as psychological problems.
- To create awareness about issues and problems related to mental health of the student
- To motivate faculty in counselling activities.
- To provide a support system for the students to address the major academic related issues.
- To initiate proactive measures to solve the issues of students concern.
- To analyse the grievances of students and to take corrective action with the appropriate authorities for redressal.
- To get suggestions regularly from the students for improvement.

Schedule to meet: **First Tuesday** of every month at 12:45 hrs onwards, Principal's Office.
