Coordinator and its members will look after the Registration of Students and Arrangements for putting up Note for approval, On-duty facility, Report of event, etc.

The J-Hub at JNTUH will conduct the Hackathon events based on the challenges posed by the Industry and Startups for the stakeholders in the form of a league events. Two league events are planned in an academic year of which over the next two years league event with industry participants in the competition will be planned. In addition, J-Hub would also act as a touch point of the university to any national Hackathon events conducted and will select and mentor the participants for the events.

J-Hub is envisioned to provide a unique platform for the graduating engineers, faculty, research scholars and alumni to pursue innovation, Applied Research and tech-entrepreneurship. The initiative will impact the quality, confidence and competitiveness of the students and prepare them for 21st century Knowledge Economy. The Innovation Hub offers access to its stakeholders, a spectrum of programs, experts, labs, equipment, collaborators, networks and spaces to catalyze innovation, knowledge intensive businesses and tech-enterprises. University Innovation Hub would become the focal point for creating technology startup companies and technology solutions critically relevant to the social and economic challenges of the state.
