Report of Guest Lecture on " IEEE Explore New Features for Research Efficiency "

The CSE,IT, EEE and ECE Departments has organized a Guest Lecture on " IEEE Explore New Features for Research Efficiency " for III BTech CSE,IT, EEE & ECE students during 20 March 2023, Guest Lecture was scheduled from 10:30 to 12:40 Hrs.

Inaugural function was attended by the Speaker Mr M Srinivas, EBSCO training manager, Principal Dr E Madhusudhana Reddy, CSE-HOD Mrs K Usha Rani, IT-HOD Dr K Murgamani, EEE-HOD Mrs S Deepti, ECE-HOD Mrs S Manjula, Workshop faculty in-charges Mrs R Manju Bhargavi, Dr P Deepti, Minhaj Begum and Jyothirmayi, staff and III Btech students. The venue was Ramdev Indoor Auditorium.

## Speaker:

Mr M Srinivas,  
EBSCO training manager,

Achievements : **To be added**

## Banner:

**IEEE Xplore**  
**New Features for**  
**Research Efficiency**  
*A Training Session*

**20 MARCH 2023** | **TIME: 10:30AM - 12:40PM**

**DISCOVER NEW FEATURES AND FACILITIES THROUGH IEEE ASPP & POP PACKAGE**

Organized by Department of Library  
**BHOJ REDDY ENGINEERING COLLEGE FOR WOMEN**  
**VINAY NAGAR, HYDERABAD**

**IEEE Xplore®**  
Digital Library

**Resource Person**  
**MR. M S SRINIVAS**  
IEEE TRAINING MANAGER  
TELANGANA & KARNATAKA

**Venue**  
**RAMDEV IDOOR AUDITORIUM**

## Schedule:

The details of the demo schedule as given below:

Date	Time (Hrs)	Class - Section	Venue
20 March 2023	1030-1130	III ECE -A, B, C & III EEE	Ramdev Indoor Auditorium (RIA)
	1140-1240	III CSE - A & B, III IT-A & B	

### Introduction:

The Institute of Electrical and Electronics Engineers (IEEE) is a professional organization that promotes the advancement of technology related to electrical and electronic engineering. The IEEE Awareness Program is an initiative aimed at increasing awareness of the organization's benefits and resources among engineering students. This report summarizes an IEEE awareness program conducted in an engineering college.

Figure 1: During the inauguration session, introduction speech by our assistant librarian Mr P Ratna Kishore

### Objectives:

The primary objectives of the IEEE awareness program were to increase awareness of the benefits of IEEE membership among students and encourage them to become members. The program also aimed to provide information about IEEE resources and activities related to engineering and technology for all staff and students of BRECW.

### Activities:

Bhoj Reddy Engineering College for Women has organized EBSCO is planning to conduct a user awareness programme session on the topic “IEEE Xplore digital library New Features for Research Efficiency” on 20th March 2023 between a training first session timings morning 10:30am to 11:30am B.Tech IIIrd year ECE-A, B, C & IIIrd EEE sections and second session 11:40am to 12:40pm B.Tech IIIrd year CSE-A & Band IIIrd IT-A&B Sections. Mr M S Srinivas IEEE Training Manager southern in India was the resource persons for the session

The session was deliberated using resource person ramdev indoor auditorium. The session was deliberated using resource person ramdev indoor auditorium. . A total of 450 participants Hods including faculty members and students. An interactive session was conducted with the students,

where they could ask questions about IEEE membership and its benefits. The session was led by Mr. M Srinivasa member of IEEE who answered the students' queries.

Figure 2: During the interactive session, complementary gifts to participants by Mr M Srinivas, IT-HOD Dr K Murgamani and assistant librarian Mr P Ratna Kishore and students.

A presentation was given to students about the IEEE organization by Mr M Srinivasa, EBSCO training manager, its benefits, and how to become a member. The presentation also included information about IEEE resources, such as the IEEE Xplore Digital Library, IEEE Standards, and IEEE Spectrum magazine.

Figure 3: During the presentation by Mr M Srinivas

#### IEEE Membership Drive:

A membership drive was organized where students could register for IEEE membership. The registration process was made easy, and students were given detailed information about the membership benefits.

Figure 4: Audience during the guest lecture

#### Outcome:

The IEEE awareness program was well received by the students. Many students showed interest in becoming members of the organization. The interactive session helped to clear their doubts and understand the benefits of IEEE membership. The membership drive was also successful, and many students registered for IEEE membership.

#### Conclusion:

The IEEE awareness program conducted in the BRECW College was successful in achieving its objectives. The program helped to increase awareness of the benefits of IEEE membership and provided information about IEEE resources related to engineering and technology. The interactive session helped to clear the students' doubts and encourage them to become members. The membership drive was successful, and many students may register for IEEE membership. The program was a good initiative which was taken by our assistant librarian Mr P Ratna Kishore to promote IEEE among engineering students

#### Vote of thanks

Mr P Ratna Kishore, assistant librarian expressed his sincere gratitude for allowing all departments with and the opportunity to conduct a guest lecture at BRECW. He appreciated the support that management gave and said it was informative session. Once again, he said thank you for allowing them to contribute to the learning and development of their students.
