CIRCULAR

All III B.Tech CSE students and staff are hereby informed that Innovation Incubation and Entrepreneurship Cell is conducting Guest Lecture on "Green Innovation". The program is scheduled for 21 November 2022, from 10:30 AM to 12:30 PM. All students are instructed to attend this program.

The schedule of the program is as follows:

Year and Branch	Name of the Speaker and Designation	Date and Time (Hrs)	Venue
1	2	3	4
III CSE A & B	Ms Sana Afreen Strategic Operator, Growth Advisor , Web3 and AI Evangelist	21 November 2022 10:30 AM to 12:30 PM	Seminar Hall WB 401

Note:

- 1) The faculty who are handling III B. Tech CSE should mark the attendance as per the timetable on these respective sessions.
- 2) All the teaching and non-teaching faculty who do not have class work are requested to attend the session of this program.

Report on Guest Lecture

Topic: Green Innovation

Date: 21 November 2022

Time: 10:30 Hrs to 12:30 Hrs

Venue: Seminar Hall WB 401

The Innovation Incubation and Entrepreneurship Cell has conducted Guest Lecture on "Green Innovation" for III CSE A & B students on 17 April 2024. A total of 128 students attended the guest lecture. The guest lecture was scheduled from 10:30 to 12:30 Hrs. The guest lecture was conducted by Ms Sana Afreen Strategic Operator, Growth Advisor, Web3 and AI Evangelist.

The guest lecture was organized to create awareness among students about the importance of green innovation in today's rapidly industrializing world. The session aimed to introduce sustainable technologies, eco-friendly practices, and innovative solutions that help in reducing environmental impact while fostering economic growth.

The resource person shared valuable knowledge on:

- Introduction to Green Innovation and its significance in combating climate change.
- Discussion on renewable energy sources, waste management, green computing, and eco-friendly product design.
- Case studies of successful green start-ups and sustainable practices adopted by leading companies.
- Emphasis on how engineers and technologists can contribute to a greener future through innovation.
- Interactive Q&A session where students discussed ideas and challenges related to implementing green technologies.

The session was interactive and students actively participated by asking questions and sharing their thoughts.

Feedback

The session was highly appreciated by students and faculty members alike. Participants found the lecture informative, relevant, and motivating. They requested more such sessions focusing on sustainability and environmental innovation.

Conclusion

The guest lecture on Green Innovation was a grand success. It effectively highlighted the importance of integrating sustainability with technological progress. The Department extends heartfelt thanks to the guest speaker for sharing his expertise and to all participants for making the event engaging and fruitful.
