The E-Cell of Bhoj Reddy Engineering College for Women (BRECW) successfully organized a one-day workshop, ILLUMINATE, in collaboration with E-Cell, IIT Bombay, on October 23, 2025.

The workshop was designed to inspire and guide students on how to begin their entrepreneurial journey right from college, equipping them with the mindset and skills needed to turn innovative ideas into successful ventures.

Over 70 students from the second and third years of B.Tech, representing various branches, actively participated in the event. The sessions were conducted by the student coordinators of E-Cell, under the guidance of faculty advisors Dr P Sumalatha and Dr Samit Kumar Singh – IIE Cell Coordinator. The interactive format and enthusiastic participation made the workshop both engaging and impactful.
