A Report on Internal Smart India Hackathon 2025

Date: 16 September 2025

Event Overview

Smart India Hackathon (SIH) is a leading nationwide initiative that engages students in solving real-life challenges. It was launched to promote innovation and practical problem-solving among youth. The platform allows students to develop and present creative solutions to everyday problems. By participating, students are encouraged to think critically and work innovatively.

The Internal Hackathon of SIH 2025 was organized by the Innovation, Incubation and Entrepreneurship Cell (IIE) at Bhoj Reddy Engineering College for Women, Hyderabad, on 9 September 2025 between 10:00 AM to 1:00 PM at Seminar WB 402. Dr. Samit Kumar Singh, Associate Professor, Dept. of H&S was appointed as the Institution SPOC and SIH Coordinator. Department coordinators were identified to facilitate student participation in the event. They include faculty members from EEE, CSE, ECE, IT, CSM, and Management departments. The department coordinators are: Ms S Deepti, Associate Professor, EEE; Dr P Sumalatha, Associate Professor, CSE; Dr Pradeep Kumar Goud, Associate Professor, ECE; Ms D Navaneetha, Associate Professor, IT; Ms AVS Radhika, Assistant Professor, CSE; Ms B Dhana Deepika, Assistant Professor, EEE; Ms Elena, Assistant Professor, ECE; Ms K Madhuravani, Assistant Professor, IT; Ms Sameera Begum, Assistant Professor, CSM and Ms B Prasanna, Assistant Professor, Management. This collective effort ensured smooth organization and active student involvement in the hackathon.

The event was conducted under the guidance of Principal Dr. G Shyama Chandra Prasad and Vice Principal Mr G. Dayakar Reddy. It was inaugurated by the Principal, Vice Principal, HoDs, along with the jury members, who stressed the importance of innovation and entrepreneurship. HODs, Coordinators and jury members were actively participated.

A total of 65 teams (390 students) presented ideas based on SIH problem statements. Students showcased their creativity, technical skills, and vision through PowerPoint presentations.

A panel of jury members evaluated the ideas on novelty, feasibility, and impact. After rigorous assessment, 50 top teams were selected. The event was highly successful, with enthusiastic student participation. It encouraged creative thinking and solution development for real-world problems.

Judging Process

The Internal Hackathon judging process consists of the following stages:

1. Teams Registration: Students registered their teams with details of Theme, Problem Statement & ID, Team Leader, Team Members and Mentor by submitting through Google form provided.
2. Idea Presentation: Each team delivered a concise 10-minute Power Point presentation to the esteemed Jury Panel, effectively communicating their innovative ideas. The presentations covered:
 - i. Introduction: A clear overview of the project concept.
 - ii. Technical Approach: A detailed explanation of the technical methodology and solutions employed.
 - iii. Feasibility and Viability: An assessment of the project's practicality, potential roadblocks and strategies for overcoming them.
 - iv. Impacts and Benefits: A discussion of the anticipated outcomes, advantages, and positive consequences of the project
3. Evaluation of Ideas: Judges evaluated each idea based on the following criteria:

S No	Team Name	Theme	Problem Statement	Innovation & Creativity (20 M)	Presentation (10 M)	Technology (20 M)	Total (50 M)	Remarks

4. Final Judgement: Judges shortlisted the top ideas based on the review.

Out of 65 teams, 50 were selected by the judges and will be uploaded on the SIH portal. The participation of all teams and the guidance of the jury made the event successful. The Internal SIH encouraged innovation and helped students enhance their skills in a competitive yet supportive environment.

Hackathon Sparks Innovation at Bhoj Reddy Engineering College for Women

admin September 9, 2025

HYDERABAD, SEPTEMBER 09, 2025: Bhoj Reddy Engineering College for Women organised an Internal Hackathon Competition on Tuesday to select teams for the upcoming Smart India Hackathon (SIH) 2025.

The event witnessed enthusiastic participation, with 80-plus teams presenting 100-plus innovative ideas across various problem statements. The competition was coordinated by Samit Kumar Singh with active involvement from jury members of all departments and department coordinators, who evaluated the projects and guided the students.

The shortlisted teams will represent the college in the national-level SIH 2025, a flagship initiative of the Government of India that provides a platform for students to address real-world challenges.

Principal G Shyama Chandra Prasad, Vice Principal G. Dayakar Reddy, and the college management congratulated and thanked the students, jury members, and coordinators for their creativity, teamwork, and contribution, emphasising that such events foster innovation, collaboration, and practical learning.
