Report on “The Rise of Women in Tech Entrepreneurship” conducted by Innovation Incubation and Entrepreneurship Cell for IV B.Tech EEE Students on 13 February 2023

Date: 15 February 2023

The Innovation, Incubation and Entrepreneurship Cell of Bhoj Reddy Engineering College for Women organized an Awareness Program titled “The Rise of Women in Tech Entrepreneurship” on 13 February 2023 for IV B.Tech students of EEE branches. The event was conducted between 10:00 AM and 01:00 PM at the Seminar Hall, West Block (WB 401). The resource person for the session was Dr Geetha Manjunath, founder and CEO of NIRAMAI. The program aimed to inspire and encourage women students to explore innovative thinking and idea generation in technology-driven fields.

Time: 10:00 to 01:00 Hrs
Venue: Seminar Hall WB 401

Figure 1: Banner of the Awareness Program

Objectives of the Program

- To create awareness among students about the growing role and contributions of women in technology and entrepreneurship.
- To inspire young minds, especially female students, to explore opportunities in tech-driven innovation and startup ecosystems.
- To encourage participation in ideation, incubation, and entrepreneurship programs under the IIE Cell.

Event Overview

The session began with an inaugural address by Dr. J. Madhavan, Principal of Bhoj Reddy Engineering College for Women. He emphasized the importance of creativity and innovation in the evolving technological world and encouraged students to actively participate in innovation-based programs. The event was coordinated under the guidance of the Innovation, Incubation and Entrepreneurship Cell and received an overwhelming response from students.

Session Highlights

Dr. Geetha Manjunath, CEO of NIRAMAI, an Indian startup using AI/ML, delivered an inspiring talk on the role of women in technology and innovation. She shared her experiences in leading innovation-driven projects and provided insights into how students can channel their creativity to solve real-world challenges. The session also included interactive discussions on ideation frameworks, prototyping, and entrepreneurship opportunities in emerging technologies.

Figure 2: During the Session on 13 February 2023

Participation Details

A total of 60 students from EEE branches participated in the event. Faculty members from various departments also attended the session. Attendance was recorded by respective faculty members as per the timetable.

Conclusion

The Innovation, Incubation and Entrepreneurship Cell expresses its gratitude to Dr Geetha Manjunath for her invaluable contribution to the success of the program. Special thanks are extended to the management and Principal, Dr. J. Madhavan, for their continuous support and encouragement in organizing such impactful programs. The event concluded with a vote of thanks by student coordinators from IV EEE, appreciating the resource person and the organizing team for their efforts.
