#### **Meeting Minutes:**

The Chairperson welcomed all members to the meeting and briefed them on the agenda. The following points were discussed and resolutions were made.

#### **1. Review of NBA SAR Submission and Preparedness for NBA Visit**

- The committee reviewed the activities completed after the successful submission of the NBA Self-Assessment Report (SAR) on 06 February 2026.
- To assess institutional preparedness and identify gaps before the NBA Expert Team Visit, it was proposed to conduct a Mock NBA Inspection during June 2026.
- The committee proposed inviting senior academicians and NBA experts from reputed institutions to serve as external evaluators. Experts from VNR Vignana Jyothi Institute of Engineering and Technology would be invited to review the ECE programme, experts from Vardhaman College of Engineering would review the IT programme, experts from G. Narayanamma Institute of Technology and Science would review the EEE programme, and experts from Gokaraju Rangaraju Institute of Engineering and Technology would review the CSE programme.
- The mock inspection shall focus on verification of criterion-wise documentation, course files, laboratory records, CO-PO-PSO attainment processes, placement and internship records, department presentations, and interactions with faculty, students, alumni and employers.
- Departments were instructed to complete all pending documentation and conduct internal reviews before the proposed mock inspection.
- The Chairperson informed the members that the recommendations received from the external experts during the mock inspection would be incorporated as part of the continuous improvement process prior to the actual NBA visit.

## 2. Review of Placement Outcomes and Higher Education Statistics

- Placement performance, higher education admissions and entrepreneurship activities were reviewed.
- Departments were advised to further strengthen placement training and industry interaction activities.

## 3. Review of Research Publications, Patents and Funded Projects

- The committee reviewed publications in Scopus and SCI journals, patent applications, consultancy activities and funded project proposals.
- Faculty members were encouraged to increase quality research output.
